

Notice of Revision to Dividend Forecast in Accordance with Share Consolidation

Tokyo, June 25, 2018 – Fujitsu Limited (“Fujitsu”) announced today that, in accordance with the proposal concerning share consolidation approved at the 118th annual shareholders meeting held today, Fujitsu revises its dividend forecast as below.

1. Reason for revision

The proposal for consolidation of its common shares at the rate of one share for every ten shares effective October 1, 2018 was approved and determined at the 118th annual shareholders meeting held today.

In accordance with the share consolidation, Fujitsu revises its dividend forecast for the year ending March 2019, to increase the value of the year-end dividend per share by ten, in proportion to the consolidation ratio.

The revision is intended to revise the value of the per-share dividend in accordance with the share consolidation and there is no material change in the dividend forecast.

2. Revision to dividend forecast

Record Date	Dividend Per Share		
	End of First Half	End of Fiscal Year	Annual
Previous forecast (Announced on May 24, 2018)	7 yen	8 yen	15 yen
Revised forecast	7 yen	80 yen	—*
Payment for FY2018	—	—	—
Payment for FY2017	5 yen	6 yen	11 yen

* Fujitsu left the value of total annual dividends blank (—) because it is impossible to add up the value of the dividend at the end of First Half and that of the end of Fiscal Year dividend in a simple manner.
