From the first quarter of 2017, the Fujitsu Group classifies FUJITSU TEN Limited under "discontinued operations." In the Consolidated Statement of Profit or Loss, the profit from discontinued operations is therefore presented separately from the figures for continuing operations. Accordingly, the figures for revenue, operating profit, profit before income taxes and income from investments accounted for using the equity method are all from continuing operations. Because the figures presented for the fiscal 2016 have been modified in the same way, figures for the percentage change versus previous fiscal year are not presented for revenue, operating profit, or profit before income taxes.
