Consolidated PL(YoY)

[Revenue]

Excl. restructuring and FX : +135.2 billion yen, primarily from growth in Services in Japan and Ubiquitous Solutions.

Impact of foreign exchange : - 47.7 billion yen, due to the continuing strong yen against the U.S dollar, the euro and the pound.

Impact of restructuring : - 182.0 billion yen, primarily due to the impact of restructuring the device business.

[Operating Profit] Increase of 81.2 billion yen

Excl. special items and restructuring : +84.9 billion yen, primarily from businesses in Japan.

Impact of restructuring : -2.1 billion yen, due to profits excluded from the consolidated results, primarily from the reorganization of the device business.

Special items : -1.5 billion yen

- FY19 : -13.7 billion yen, one time profits relating to the transfer of businesses, and expenses relating to the restructuring of businesses outside Japan and plants in Japan.
- Impact of factors from FY18 not recorded in FY19 : +12.2 billion yen, profits from changes in the pension system and BMT expenses.

[Financial income (expenses), etc.] Decrease of 14.4 billion yen

This is primarily due to the fact that one-time gains relating to the sale of the PC business recorded last year did not recur this year.

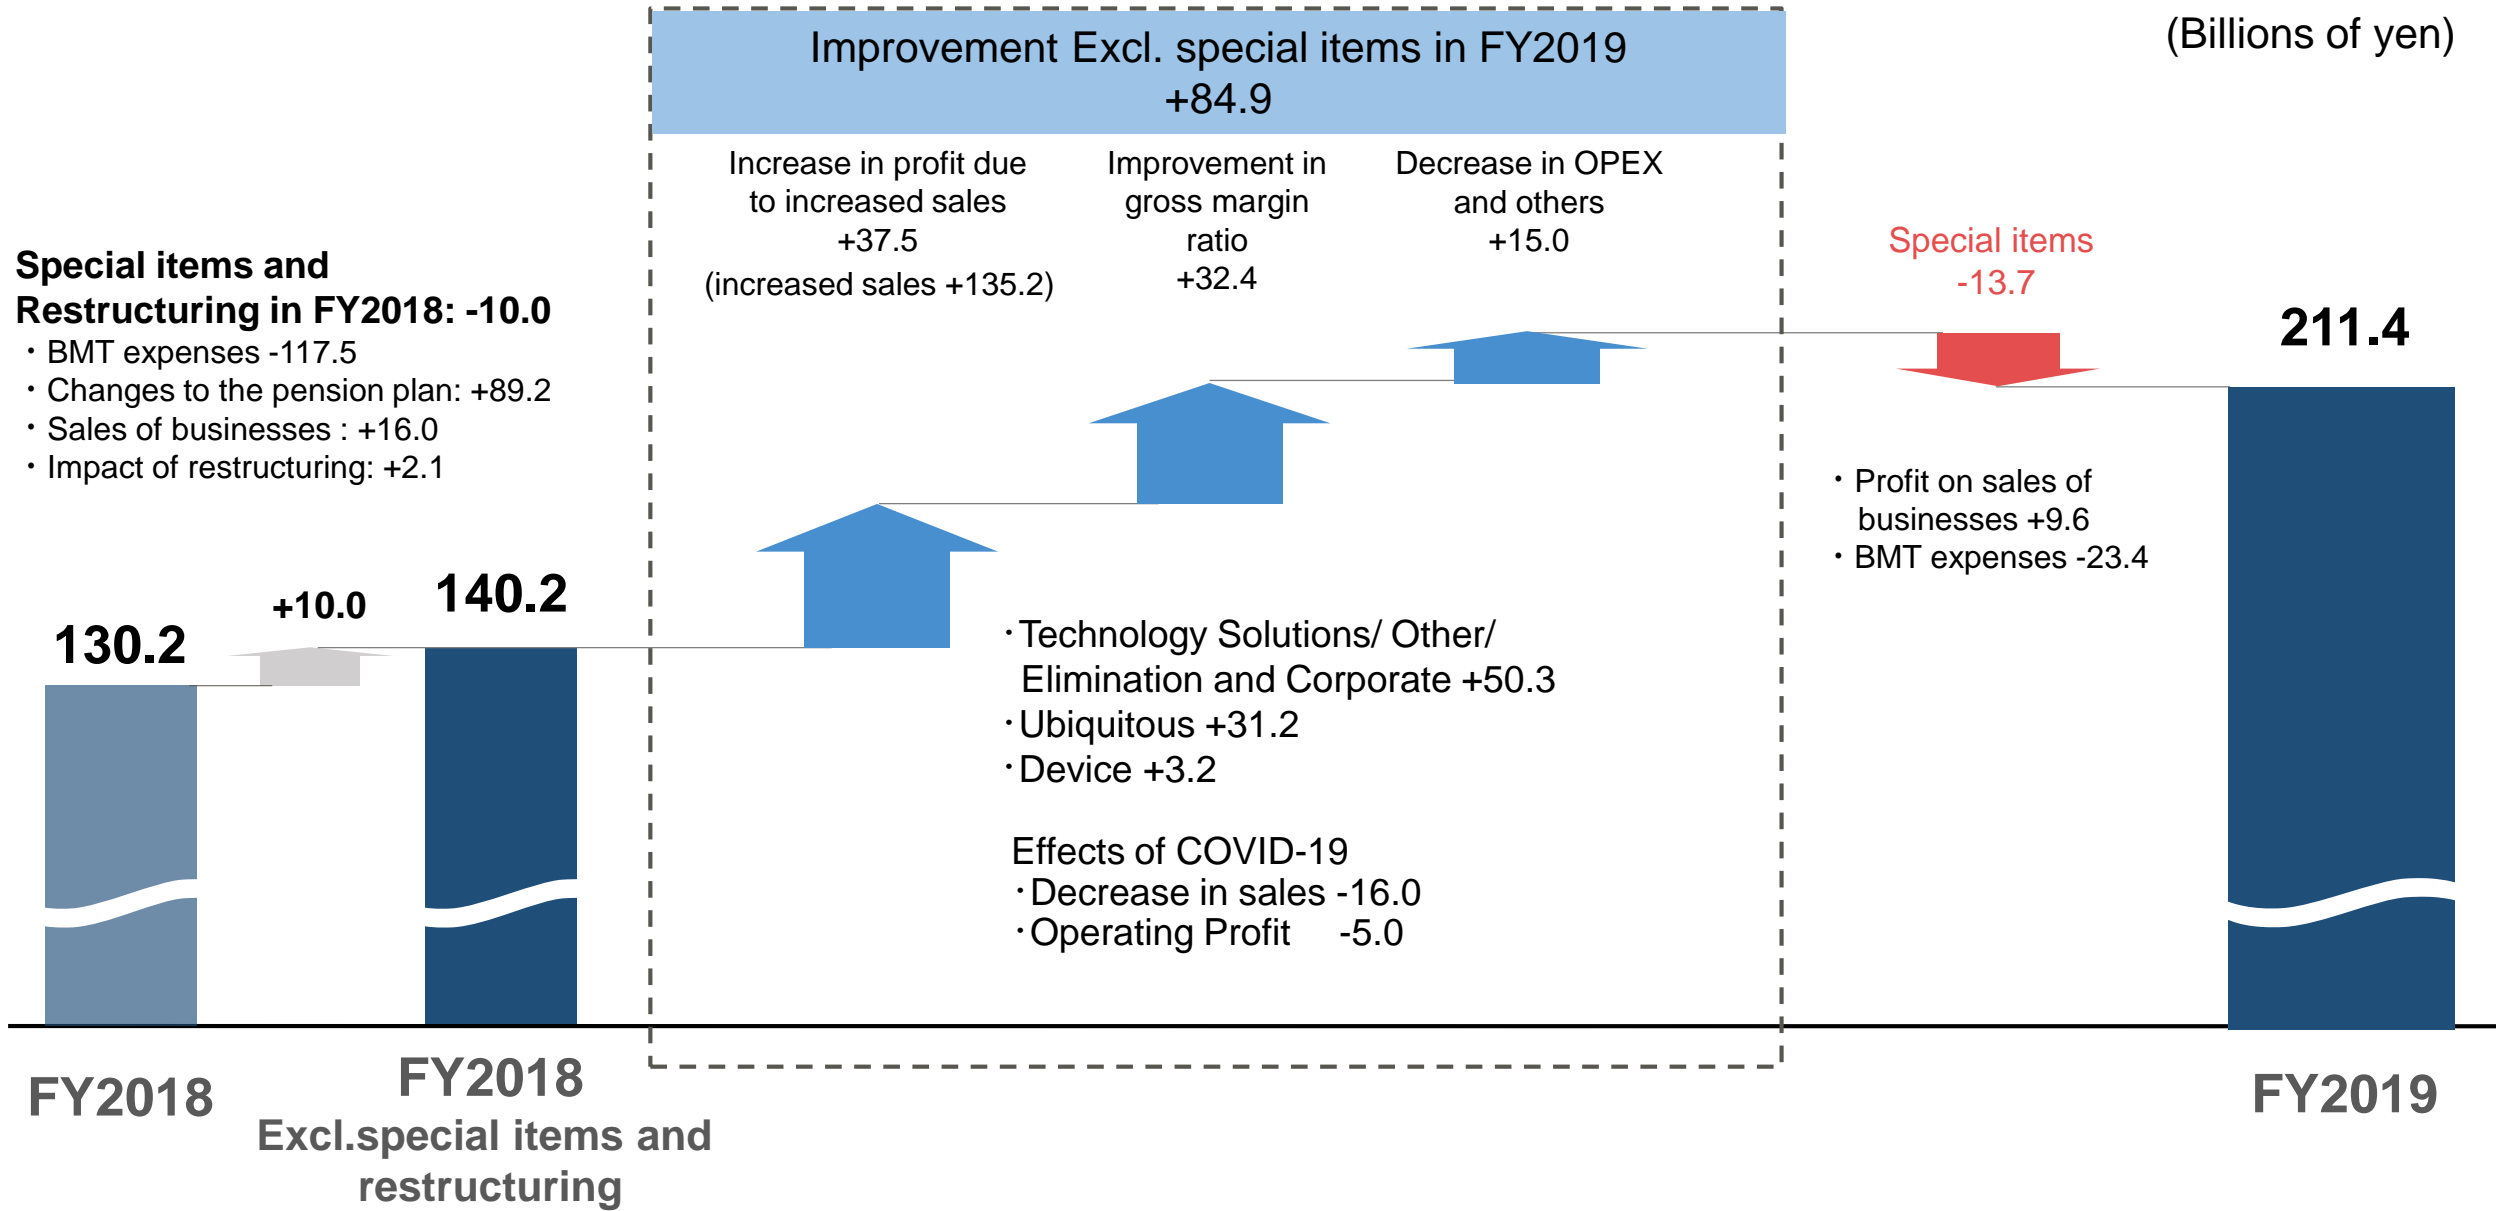

[Profit for the Period Attributable to Owners of the Parent] Increase of 55.4 billion yen

Services in Japan grew.

(Solutions/SI)

The manufacturing sector, the distribution sector, and large-scale public sector contracts all continued their growth from the previous year.

Local government and healthcare sector also increased.

(Infrastructure Services)

In Japan, excluding the drop in revenue in reaction to the recording of a major business deal related to infrastructure construction in the previous year, sales remained steady.

Outside Japan saw significant impacts from foreign exchange.

Excluding foreign exchange impacts, sales remained low in North America, while revenue fell in Europe primarily due to the exit from unprofitable countries.

[Operating Profit]

Excl. special items and restructuring +9.8 billion yen

Profits rose due to increased revenue in Japan and continued improvements in profitability.

Impact of BMT expenses: Expenses reduced by 13.2 billion yen
