

Notice on Change of Share Unit, Consolidation of Shares And Associated Partial Change of Articles of Incorporation

Tokyo, April 27, 2018 – Fujitsu Limited (“Fujitsu”) announces that it has made a resolution at its Board of Directors Meeting held today to amend part of its Articles of Incorporation according to the provision of the Article 195 (1) of Companies Act to change share unit of the Fujitsu’s shares to comply with a request of Japanese Stock Exchange to which standardize the trading units for common shares issued by all listed domestic corporations at 100 shares by October 1, 2018, based on the “Action Plan for Consolidating Trading Units.”

Fujitsu also made a resolution to consolidate its ten shares into one share for the objective of maintaining investment unit with the proviso that it should be approved by the 118th annual shareholders meeting.

Please let us notify to change of unit share, consolidation of shares, associated partial change of articles of incorporation and the way of thinking and policies concerning lowering of the Company’s investment unit as follows:

1. Change of share unit

(1) Details on change

Fujitsu will change its share unit from 1,000 shares to 100 shares.

(2) Effective date

October 1, 2018, Monday

(Ref.) While the effective date of the change of share unit will be October 1, 2018, trading of 100 share unit at the Tokyo Stock Exchange will start in September 26, 2018 due to transfer procedure after trading shares.

2. Consolidation of shares

(1) Details of consolidation

a. Type of shares to be consolidated

Common shares

b. Consolidation ratio and Effective Date

Every ten (10) shares will be consolidated into one (1) share on October 1, 2018 based on the number of shares held by shareholders recorded in the latest Register of Shareholders as of September 30, 2018.

c. Reduced number of shares as a result of consolidation

Total number of shares outstanding before share consolidation (March 31, 2018)	2,070,018,213 shares
Reduced number of shares as a result of share consolidation	<u>1,863,016,392</u> shares
Total number of shares outstanding after share consolidation	<u>207,001,821</u> shares

Note: “Reduced number of shares as a result of share consolidation” and “Total number of shares outstanding after share consolidation” are theoretical figures calculated based on the total number of outstanding shares before share consolidation and the consolidation ratio.

d. Total Number of Authorized Shares as of Effective Date

500 million shares (5 billion shares before consolidation)

(2) Reduced number of shareholders as a result of consolidation

Shareholder composition according to current Shareholder Register as of March 31, 2018 is as follows:

	Number of shareholders (percentage)	Number of holding shares (percentage)
Holding less than 10 shares alone	2,619 (1.69%)	5,649 shares (0.00%)
10 shares or more	152,273 (98.31%)	2,070,012,564 shares (100%)
Total	154,892 (100%)	2,070,018,213 shares (100%)

Supposing that the shares are consolidated with the above shareholder composition, 2,619 shareholders (total holding shares: 5,649 shares) holding less than ten shares will lose their status of shareholder.

(3) Transaction for fractional share number less than one

If consolidation of shares produces any fraction less than one share in the number of the shares, under the provision of the Article 235 of Companies Act, all the fractions of shares are disposed of at one time, and their proceeds are allocated to those shareholders of fractional shares on a pro rata basis.

(4) Conditions for consolidation

Consolidation of shares pre-supposes approval of agenda item on consolidation of shares as originally drafted at the 118th annual shareholders meeting.
