

Notice concerning the company split (simplified absorption-type split) with a consolidated subsidiary

Tokyo, April 27, 2018 – Fujitsu Limited (“Fujitsu”) announces that it has made a resolution at its Board of Directors Meeting held today that effective of June 12, 2018, the image retrieval and analysis business of sporting fields of Fujitsu will be succeeded by our consolidated subsidiary, RUN. EDGE Division Preparation Limited (hereinafter referred to as the “Succession Company”) by a company split (hereinafter referred to as the “the Company Split”), and hereby gives notice to that effect as stated below. Since the Company Split is a simplified absorption-type demerger to be implemented between Fujitsu and its wholly owned subsidiary, information and details disclosed here are omitted in part.

1. Objectives of the Company Split

Fujitsu has been operating the image retrieval and analysis business of sporting fields, and has resolved to newly establish a wholly owned subsidiary, Succession Company, and to have them succeed such image retrieval and analysis business in a form of absorption-type demerger effective of June 12, 2018, for the purpose of enhancing an enterprise value of the consolidated Fujitsu group. The Succession Company will aim to grow its business by specializing in the area of Sports Analytics.

The Succession Company will conduct a private placement of new shares with Skylight Consulting Inc. as at June 12, 2018, and jointly operate with them the image retrieval and analysis business of sporting fields as result of such investment.

2. Summary of the Company Split

(1) Schedule of the Company Split

| | |
|--------------------------------------|--------------------------------|
| Board resolution | April 27, 2018 (Friday) |
| Conclusion of company-split contract | April 27, 2018 (Friday) (est.) |
| Effective date of split | June 12, 2018 (Tuesday) (est.) |

(Note) The Company Split shall be executed without going through the resolution at the shareholders’ meeting since such split falls into the classification of simplified absorption-type demerger as provided for in Article 784, Paragraph 2 of the Companies Act.

(2) Method of the Company Split

The Company Split is an absorption-type demerger with Fujitsu being a split company and the Succession Company being a succeeding company.

(3) Share allocation concerned with the Company Split

Upon the Company Split, the Succession Company will issue 6,700 ordinary shares and allocate all the shares to Fujitsu (Split Company).

(4) Treatment of share warrant and bond with stock acquisition right arising from the Company Split

There is no applicable matter.

(5) Increase or decrease in capital stock as result of the Company Split

There will be no increase or decrease in capital stock of Fujitsu as result of such Company Split.

(6) Rights and obligations succeeded by the Succession Company

The Succession Company will succeed the assets and liabilities concerned with the image retrieval and analysis business of sporting fields operated by Fujitsu upon the Company Split. However, they will not succeed the employment contracts with the employees engaged in such image retrieval and analysis business

of sporting fields. Liabilities assumed by the Succession Company will be in a form of noncumulative taking of obligation.

(7) Expected performance of liabilities

Regarding the Company Split, we judge that there will be no problem with the performance of obligations to be assumed by the Succession Company.
